Base In Veined Red Marble, First Half Of The 20th Century

2 200 EUR

Period : 20th century

Condition : Bon état

Material : Marble

Description

A base carved from richly veined red marble, dating from the first half of the 20th century. Notable for its harmonious proportions and the natural beauty of its stone, this architectural element combines functionality with timeless elegance.The marble features remarkable variations in color and veining, ranging from deep red and burgundy to lighter natural accents, creating a sophisticated visual effect. Its sleek and balanced form highlights the material, emphasizing the quality of the stone and the craftsmanship.Ideal for displaying sculptures, busts, vases, urns, or other significant decorative objects, this pedestal fits seamlessly into both classic and contemporary interiors, as well as galleries and architectural settings.Origin: EuropePeriod: First half of the 20th
