Description

Oil on canvas. Dutch School, 18th century. In this dramatic scene, three sailing ships are at the mercy of a stormy sea; two of them fly the Dutch flag, while the third, smaller one, almost a dinghy, flies another flag. The gray, stormy sky and sea create a uniformly dark background, with a sliver of light on the right, through a rift in the clouds. The painting has been restored and relined in the past. It is presented in a contemporary antique frame. The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
