### Description

An elegant Scandinavian display bookcase from the 1960s, crafted from beautiful Rio rosewood, characteristic of Danish Mid-Century Modern design. This piece consists of a lower section with six drawers offering ample storage space, topped by a display cabinet with two sliding glass doors revealing wide shelves designed for displaying books, art objects, or collections. The exceptional quality of the veneer highlights a spectacular grain with warm, deep tones, typical of the finest Danish pieces of the era. The recessed handles and clean lines emphasize the minimalist elegance characteristic of Scandinavian furniture. Both functional and decorative, this bookcase will naturally find its place in a contemporary, vintage, or modernist interior. Features: Period: 1960s Origin:
