### Description

A magnificent bottle made of glass blown using the millefiori technique, typical of the island of Murano. This lovely bottle features a bulbous body adorned with multicolored floral motifs (cobalt blue, coral red, white, and touches of brown) arranged in characteristic rosettes. The wide, flared neck in clear glass contrasts elegantly with the solid spherical stopper, also made entirely of millefiori. Dimensions: o Total height: 15.5 cm o Maximum diameter: 9.5 cm Condition: Excellent condition, no cracks or chips. Slight signs of normal wear for an object of this type (very good overall condition). A high-quality decorative piece, ideal for lovers of Venetian art glass, millefiori collectors, or simply to enhance an interior. Origin: Italy, Murano (20th century)
