Description

Authentic Scandinavian sideboard from the 1970s, crafted from teak with a beautiful warm patina and particularly elegant grain. This low sideboard with its sleek design perfectly embodies the Nordic style of the Mid-Century Modern period. Its clean lines, discreet handles, and legs give it a timeless look that fits just as well in a contemporary as in a vintage interior. Highly functional, with adjustable shelves. This sideboard features three doors and three central drawers, offering ample storage space for dishes, linens, documents, or everyday items. In very good vintage condition with slight signs of wear consistent with its age and use, which do not affect its appearance or sturdiness. Beautiful craftsmanship Length 172 cm. / Width 42 cm /.
