Description

Large 1920s Oak CounterA superb antique oak counter, typical of shop and workshop interiors from the early 20th century. Its large-paneled front, punctuated by rounded posts, gives it a striking architectural presence. On the service side, it features wide storage shelves, very practical for storing and organizing. The wood's patina and the marks of time contribute to its authentic charm. Discover all our other products on our website: www.llantiquites.com
