Description

SCHOOL OF PARIS, 20th century

(in the Expressionist manner)

Two Female Figures in a Landscape

Oil on canvas -- unframed

Dimensions: 60 × 72.5 cm This oil on canvas depicts two female figures reclining in a summer landscape beneath a tree, rendered with a formal freedom and chromatic energy characteristic of European Expressionism from the interwar period.

The composition, dominated by vibrant pinks and reds outlining the flesh, an impastoed and gestural brushstroke, and a resolutely non-naturalistic palette, bears witness to a confident and experienced hand, well acquainted with the pictorial research of the School of Paris of the 1920s-1940s.
