Description

Stunning large engraving with a modern frame, "The Duck Pond" by Eugène Delatre.Truly a beautiful engraving featuring a winter scene of a duck pond. Extremely delicate, the appeal lies in the depiction of leafless trees that create a truly intricate lace-like pattern on the canvas. Remarkably delicate and deeply moving--I'll let you be the judge... Eugène Delatre was a great Parisian engraver from the early 20th century; he collaborated notably with Picasso and Georges Braque. A highly regarded artist.With frame: 80 cm by 58 cm, perfect condition, high-quality modern frame, signed in graphite, circa 1900. A sublime engraving, lacework in perfect condition.
