Description

A pair of monumental Italian urns dating from the 1950s, beautifully hand-painted and crafted in the grand decorative tradition of Italian gardens and architecture. Their imposing proportions and richly decorated surfaces make them remarkable centerpieces, both indoors and outdoors. The urns feature graceful classical forms, inspired by Renaissance and Neoclassical models, with harmonious proportions and an elegant silhouette. The hand-painted decoration enhances their visual appeal, adding color, depth, and artistic character to the pieces, while reflecting the craftsmanship of mid-20th-century Italian artisans. Thanks to their generous dimensions, these urns are perfectly suited for French gardens, terraces, property entrances, porches, courtyards, or large interior spaces. Whether displayed as
