Description

Set of 6 French chairs from the second half of the 1800s in the Louis Philippe style, made of walnut. They feature elegant, contoured backs with a carved upper crossbar. The seats and backrest bands are made of woven Vienna straw, an element that lends lightness and refinement to the overall design. The sabre-shaped front legs and sinuous lines evoke the style of the Restoration/Louis Philippe era, making these chairs particularly suitable for both classic settings and more contemporary interiors.
