Description

A stunning Delatte vase with geranium motifs by Delatte. Incredible colors on this lovely vase, featuring a geranium design entirely etched with acid. The red is striking; this intensity of color is not found in the work of other glassmakers.

Beautifully delicate, with a lovely gourd shape and a small neck, embodying all the charm of the Art Nouveau era... The photos speak for themselves... 19 cm tall, in perfect condition, signed on the body, circa 1900. A little gem of glasswork, very luminous
