Description

A distinctive and elegant white glazed ceramic oil holder, dating from the first half of the 19th century. The piece consists of an openwork base supported by four leaf-shaped feet and four oil containers arranged around a refined central female figure in the classical style, depicted holding a bouquet of flowers in her arms. An object of great decorative charm, rare to find complete with its original elements, ideal for collectors of antique ceramics and for classic-style interiors. Good overall condition for its age, with normal signs of wear and minor imperfections.
