

## 1970s Venini Glass Chandelier

3 500 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Diameter : 110

Height : 90

### Description

Elegant chandelier in clear Murano glass with a delicate amber hue. The chandelier features twelve lights and is characterized by "pipe"-shaped arms. The bobechees are circular with moldings, as are the bowl and other partitions, lending a touch of refinement to the glass.

The structure is completed by a chain at the top, terminating in another glass element. The chandelier is also equipped with a new, functioning electrical system. Originally from a renowned Florentine hotel, this piece adds a touch of class and elegance to any room. Three other identical chandeliers are also available, offering the possibility of purchasing a total of four. Venini
