Description

Painted in oil on a wooden panel in the second half of the 19th century by the professional European artist E. Buttery, this romantic painting celebrates the majestic beauty of the European Alps. The painter captured a quiet corner of mountain nature with incredible attention to the smallest details, a place where time seems to have slowed its usual pace. The viewer's gaze smoothly follows from the turbulent and picturesque river rapids in the foreground to a cozy traditional chalet with a wooden terrace, where a touching genre scene of returning home unfolds as a father leads his little daughter by the hand and his wife greets them at the threshold. The harmonious interplay of light and shadow, along with the soft, balanced color palette, seem to bring the majestic scenery to life, highlighting
