and sweat holes under the chin. YODARE-KAKE (neck guard) with four tiers, glossy black lacquered and featuring blue silk braiding.DO (chest plate) made of brown-lacquered wrought iron, modern style (tosei gusoku), consisting of wide horizontal plates, with blue silk braiding. SODE (shoulder guards) with six tiers lacquered in matte brown and blue, white, and orange silk braiding.KOTE (arm guards) made of kusari (chain mail) and matte brown lacquered iron plates, characteristic of armor designed to maintain good mobility.KUSAZURI (skirt) with five rows, lacquered in matte brown and featuring blue, white, and orange silk braiding.HAIDATE (underskirt) made of light blue quilted fabric, chain mail, and lacquered iron plates.SUNEATE (leg guards) made of kusari chain mail, glossy black lacquered iron plates, blue quilted fabric, and leather.Dimensions of the armor in a seated position: 153 x 54 x 52 cm.Sold with its display stand and GUSOKU BITSU (transport chests) made of wood covered in leather with metal reinforcements; it is adorned with the mitsudomoe motif.Additional photos and details available upon request.Notes: The term "Owari" here refers to the former Owari Province, the Tokugawa domain. The armor associated with this region is still functional and designed for combat. It is also heavily influenced by armor from the late 17th and early 18th centuries. Its martial appearance features simple forms that are more functional than decorative, along with a very sturdy helmet.
