Description

A great find among my offerings: let yourself be captivated by this stunning Calla chair, a masterpiece created in 1960 by the genius of designer Antonio Ari Colombo for the renowned Arflex Italia. A piece of pure modern classic design, ideal for collectors and lovers of signature design. The frame is a true work of engineering art: a single, continuously bent tubular steel piece that flows without interruption to create a sinuous, airy, and incredibly solid silhouette. Comfort meets elegance thanks to the fine beige leather upholstery, a warm and sophisticated shade capable of enhancing any setting, from a minimalist living room to an executive office. Perfect dimensions for any space: Total height: 82 cm Seat height: 46 cm Width: 45 cm A rare opportunity to take home a Made in Italy
