Description

A beautiful, large Art Deco lamp with a nickel-plated bronze base and a molded glass shade by Degué. This piece, typical of the Art Deco period, is of excellent quality. The base and shaft of the stand are fluted, while the shade--made of pressed-molded glass--features highly stylized decoration and casts a truly beautiful light. The whole piece is perfectly balanced; nothing wobbles. Placed on a nice piece of furniture, this lamp has a superb presence (see photos)...Large size, 51 cm tall, in perfect condition, weighing over 6 kilos! Signature molded on the edge of the shade. For Art Deco lovers like myself, this is a sublime lamp!
