19th-century Inlaid Living Room Side Table With Flaps

950 EUR

Period : 19th century

Condition : Parfait état

Material : Other

Description

French side table with wings, Louis XVI style, from the second half of the 1800s. The tabletop features extraordinary inlay work with floral motifs; the apron also features the same inlaid plant motifs and encloses a central drawer at the front. Finally, the piece is supported by four turned and fluted legs, embellished at the top and on the feet with gilded bronze rings and an "H"-shaped crosspiece.Price includes restorationProvenance: FrancePeriod: second half of the 1800sStyle: Louis XVIDimensions: 68(109)x51x76h cmSKU: 17470
