Description

An elegant Tuscan chest of drawers from the early 19th century, crafted from walnut and finely veneered. The piece features a simple and harmonious design, typical of Tuscan craftsmanship of the period, with a solid structure and balanced proportions.The top is embellished with refined marble, which adds further value and functionality to the piece. The front features three large drawers, fitted with period brass knobs, offering ample storage and practicality.The warm, natural patina of the walnut, along with the signs of age, attests to the piece's authenticity and historical charm. Ideal for classic interiors or for adding a touch of timeless elegance to contemporary settings.
