

De Vez - Cameo Vase With A Lake Landscape Design.

Description

Multilayered glass vase with a cameo design in shades of dark blue on a pale pink and yellow background, etched with acid. The design depicts a lakeside landscape with mountains in the background and, in the foreground, branches of chestnut trees and umbellifers. These designs demonstrate a keen attention to detail and composition, such as the use of monochromatic gradients with layered colors to create a sense of perspective. Signed "Vez" within the design.
