Three-legged Pyxide. Silver With A Gilded Interior. 18th Century. Unidentified Hallmark

2 500 EUR

Period : 17th century

Condition : Bon état

Material : Sterling silver

Diameter : 15cm

Height : 8,5cm

Description

Pyxide with a circular base resting on three small feet, featuring a cylindrical body adorned with a band of decorative motifs around its circumference. The lid has a stepped, semi-spherical profile and is topped with a cross. The upper rim is adorned with an openwork ornamental crest. The interior is gilded, in accordance with the symbolism intended to protect and honor the consecrated hosts.
