Description

Onda armchair designed by Jonathan De Pas, Donato D'Urbino, and Paolo Lomazzi for Zanotta in Italy in the 1980s. This armchair is characterized by its enveloping silhouette with fluid lines, inspired by the movement of a wave, from which it takes its name. The chrome-plated tubular frame supports a generously padded seat upholstered in a dark fabric accented with multicolored patterns, typical of the Italian postmodern aesthetic of the 1980s. Manufacturer: Zanotta, Italy, circa 1985.
