Description

Large Empire-style mahogany display bookcase from the late 19th centuryImpressive mahogany display bookcase with eight doors and a central drawer.The ornate front is punctuated by four freestanding columns with gilded capitals and bases.The glass doors feature an elegant geometric leaded-glass design in the style of early 19th-century Empire models.The central section is adorned with a white marble shelf veined with black, serving as a serving table, topped by two glass-paned doors and flanked by two side display sections.The piece rests on turned legs and retains its rich original gilded bronze hardware: lock plates, drop handles, and decorative motifs.The interior is fully fitted with shelves, offering ample storage and display space.High-quality French craftsmanship, in the
