Description

Andrée Perotti - A Gallant Scene in the Style of the 18th Century Oil on canvas, signed lower right: Andrée Perotti. The composition depicts an elegant scene of entertainment in a rural setting. In front of a half-timbered inn covered in roses, a couple dressed in 18th-century fashion strolls while other figures take their seats at a table set up under the trees. A horse-drawn carriage and several figures enliven the background. The artist employs a luminous and refined palette dominated by soft greens, pinks, and ochres. The work follows in the tradition of French galant scenes inspired by Watteau and Rococo art. 20th-century French decorative work. Canvas mounted on a stretcher. In good overall condition with slight wear consistent with its age. h46 x 60cm
