Description

A rare and spectacular Italian cabinet Oswaldo Borsani, a leading figure in 20th-century Italian design and founder of the renowned Tecno company. With its impressive dimensions and remarkable design, this piece is a true collector's item. The fully fluted front, curved lines, softened corners, and refined veneer work give it an exceptional presence. The central body features several drawers and storage compartments, highlighting the perfect blend of functionality and aesthetic sophistication that characterizes Borsani's creations. Its timeless design allows it to blend seamlessly into contemporary interiors as well as Art Deco, Modernist, or 20th-century design settings. A true centerpiece, this cabinet immediately catches the eye with its sculptural elegance and the quality of its
