830 EUR

Period : 19th century

Condition : Bon état

Material : Wood marquetry

Width : 74

Height : 134

Depth : 39

Description

A Louis XV-style drop-leaf secretary desk made of precious wood with marquetry, topped with a veined white marble tabletop.The front is adorned with rich marquetry featuring foliage scrolls framing an elegant vase of flowers, crafted from contrasting woods against a background of rosewood and palisander.The corners are embellished with gilded bronze fittings featuring rocaille motifs and foliage scrolls.Lifting the lid reveals a refined interior featuring compartments, shelves, and small drawers.It is fitted with a leather-covered writing desk.The lower section opens with three drawers, while a wide drawer running around the base completes the piece.This piece harmoniously combines functionality and decorative refinement, making it ideal for an office, living room, or bedroom.Louis XV style,
