Description

A curved Louis XV-style chest of drawers with marquetry, featuring three drawers on the front. Crafted from precious wood arranged in a herringbone pattern, it is adorned with delicate floral marquetry in the center of each drawer. The chiseled bronze drawer pulls, lock plates, feet, and corner brackets elegantly accentuate the piece's flowing lines. The top is crowned with veined beige "bec-de-corbin" marble, adding an extra touch of refinement. This chest of drawers captivates with the harmony of its proportions, the quality of its marquetry, and its aesthetic inspired by 18th-century Parisian designs. It will naturally find its place in a living room, bedroom, or elegant entryway. Louis XV-style piece, 20th century. Dimensions: Width: 120 cm Height: 93 cm Depth: 51 cm Condition: In good overall
