Description

British painter (late 19th century) -- Landscape with Highland Cattle by a Lake.51 x 76 cm.Oil on canvas, unframed.Signed lower left: indistinct signature.The painting depicts a group of Highland cattle watering at the edge of a mountain lake, set in what appears to be the Scottish Highlands. In the foreground, the animals are rendered with naturalistic attention to their characteristic shaggy, reddish-brown coats; the background features a misty mountain range with luminous skies and calm water reflections. The composition belongs to the tradition of Victorian Scottish landscape and animal painting, recalling the subject matter popularised by Edwin Landseer and his followers.Condition report: Original canvas. Good state of conservation of the pictorial surface, with signs of age and
