Description

Le Tallec: porcelain cup - Floral design with gold accents - Signed on the saucer
An elegant porcelain bowl on a pedestal with a matching saucer featuring an ivory-yellow base, adorned with a delicate design of floral garlands in shades of gray accented with rich gilding. The bowl features a sculptural handle in the shape of a gilded mascaron, characteristic of high-quality pieces from the first half of the 20th century. The refined decoration and the finesse of the craftsmanship attest to the expertise of the Le Tallec workshops. On the reverse is a handwritten inscription: "Paris maison Le Tallec", a Parisian firm specializing in tableware and luxury items. Very high-quality porcelain; a decorative set that is as charming as it is original, ideal for a collector's display case or an elegant
