Description

An elegant castle-style decorative set consisting of a pair of curtains and their matching valance, crafted from a sumptuous rust-colored velvet with a warm, deep hue. The pieces are richly adorned with delicate embroidery in beige threads accented with gold metallic threads, lending the set a touch of brilliance and refinement. These embellishments reflect the 19th-century decorative taste for ceremonial textiles intended for prestigious residences. The curtains retain their original hanging rings and are fully lined, as is the valance, offering a beautiful drape and a remarkable decorative presence. Please note: a few tassels are missing from the border, a minor flaw that does not detract from the charm or elegance of this antique set. Dimensions: Valance: 190 cm x 50 cm Each curtain: 271 cm x 52 cm A
