### Description

Christophe Rielland (20th century) - View of a Harbor and Busy Beach  
Signed oil on canvas  
A charming oil on canvas depicting a lively coastal scene. In the foreground, two figures are strolling along a vast beach at low tide, while the piers and lighthouses of a harbor stand out in the background. A few sailboats glide offshore beneath a luminous sky rendered in a palette of delicately nuanced blues and grays. This composition captivates with its peaceful atmosphere and subtle light. The artist sensitively captures the atmospheric effects of the coastline, using a fluid and luminous style characteristic of early 20th-century seascape painting. The work is signed in the lower left by Christophe Rielland, a painter known for his landscapes and seascapes of the French coast. Presented in an elegant antique
