Description

Refined pair of lost-wax cast and gilded bronze wall lights with crystals. The wall lights feature a classic bag shape, with gilded bronze parts decorated with palmettes and friezes featuring geometric and plant-like motifs. The two wall lights are also adorned with almond-shaped crystal braids and figaro pendants hanging from the palmettes. This pair of wall lights exudes great taste and refinement, suitable for a bathroom or a small room, adding a touch of class and antique appeal to any space. French manufacture, Empire period, early 19th century.Dimensions: H x W x D 59 x 28 x 22cm
