tradition of Flemish painters dating back to the 17thcentury with the Brueghels, yet rendered with great modernity. Other facets of his work showcase his fresco designs and large-scaledecorative pieces, often exotic in nature, while in his early watercolors, onefind a symbolist vein with an elongated composition.We dedicated an exhibition to him (PDF catalog available by email)featuring the first works we discovered, but we have acquired many more since then!In partnership with Galerie Lafouresse, we specialize inpaintings of the Basque Country, the Landes, and the Arcachon Basin.Please feel free to ask us for photos or additional information via email or phone.More photos and many other items are available in our Pau store and on our Proantic website.
