Description

Large three-light wall sconce in silver-plated wood, decorated with fruit and grapevinesImpressive three-light wall sconce, adorned with a rich design featuring fruit, pomegranates, apples, bunches of grapes, and abundant foliage. The piece is crafted from finely carved silver-finished wood, forming a spectacular cascade of fruit tied at the top with an elegant ribbon.The delicately curved arms end in candle holders shaped like stylized flowers, reinforcing the decorative and naturalistic spirit of the composition. The vine and fruit motif, a traditional symbol of abundance and prosperity, gives this piece a remarkable presence.Presented against a red background panel, this wall sconce offers a striking contrast that highlights the richness of the metallic
