190 EUR

Period : 19th century

Condition : En l'etat

Length : 70 cm

Width : 55,5 cm

Depth : 57 cm

Description

A gondola-style armchair dating from the early 19th century, crafted from walnut. The frame features a characteristic wraparound backrest that extends into sleek armrests. The seat and backrest are upholstered in old rose-colored velvet, secured with upholstery tacks. The chair rests on a four-legged saber-leg base, each leg fitted with casters.Condition: The piece shows signs of age and should be purchased with full knowledge of its Woodwork: Multiple signs of wear, scuffs, and small scratches throughout the walnut (particularly on the ends of the armrests and the legs).Cracks and structure: Presence of cracks related to the woodworking process, including a clearly visible vertical split in the center of the upper panel, at the back of the backrest (visible in the second photograph).Restorations: Traces of
