

Dresden - Small Porcelain Cooler Or Glass Cover From Dresden (saxony, Germany)

450 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Length : 22cm

Height : 15cm

Description

Small porcelain refreshment bowl or glass dish from Dresden (Saxony, Germany) with a richly decorated design featuring polychrome birds and insects. The handles are in the typical Rocaille style. Some gilding is missing from a small section of the rim at the top; otherwise, it is in good condition. It dates from the late 19th to early 20th century. It measures 22 cm long by 15 cm high.
