Description

A two-piece set of twelve knives...Twelve dinner knives...And twelve dessert and cheese knives...From the 1930s...Solid silver mount...Hallmarked with the "Minerva" mark, 1st title...That is, 950/1000...And the blades are made of stainless steel...In good condition, with a few minor dents and scratches from use...A classic shell-shaped model...FYI, these knives are increasingly rare to find in the antique market, especially those mounted in solid silver...!The case is not original...And they don't have any initials engraved on them...!Weight... 1 kilo 524 gr
