Description

Very Large Decorative Metal Birdcage--Dated to the First Half of the 20th Century
Elegant cylindrical birdcage in the Romantic style, crafted from painted and patinated metal. Its curved dome, topped with a small decorative bird, gives it great charm. Traces of oxidation and the natural patina attest to its age and enhance its authentic character. Today, this type of cage is highly sought after as a decorative element in country-chic interiors, family homes, winter gardens, or event decor. It can be used as is, or adorned with trailing plants, LED candles, or decorative objects.
Features: Large cylindrical birdcage
Painted metal frame
Openwork domed top
Bird motif at the ridge
Antique patina with signs of wear and oxidation
Beautiful decorative presence
Dimensions: Height: 105 cm
Diameter: 47
