Description

A Rare And Interesting Weather Station
Klinkerfues Patent Hair Hygrometer Made By
Wilh. Lambrecht, Göttingen Germany Circa
1890 This decorative hair hygrometer weather
station indicates the relative humidity of the
atmosphere. It relies on the fact that human hair
contracts in dry weather and relaxes when
damp. Lacquered Brass with thermometer and
separately scale reduction dial In very good
original used condition. See image attached from
the original advertisement from 1881 Germany
Circa 1890 41cm high, 16.5cm wide, 8.5cm deep
