Description

Pair of Wrought Iron and Brass Fireplace
Andirons with Openwork Cast Iron Log Holder,
19th CenturyA beautiful fireplace set consisting
of a pair of wrought iron and brass andirons
accompanied by an openwork cast iron log
holder.The andirons feature an elegant vertical
design adorned with turned brass finials and
decorative rings.They rest on wrought-iron legs
with broad volutes, designed with simplicity and
balance.The side crossbars hold the log holder in
place and protect the hearth.At the center sits a
cast-iron log holder with an openwork design
inspired by Gothic architecture, resting on two
supports richly adorned with scrolls and stylized
foliage.The combination of fire-blackened
wrought iron and patinated brass gives the piece a
remarkable decorative presence, ideal for an
