Description

Antique Bronze Bell on a Wooden Yoke with Forged Iron Fittings, Late 18th Century
A beautiful antique bronze bell still mounted on its original wooden yoke. The set features a traditional structure consisting of a substantial solid-wood yoke fitted with forged iron fittings and a rope-pull system. The bell retains its inner clapper. This piece likely originated from a private chapel, a rural estate, or a farm, where it was used to mark work hours or summon workers. The set has a very beautiful decorative presence and a remarkable antique patina. Dimensions: Height: 50 cm Width: 61 cm Depth: 31 cm Condition: In good condition with signs of wear and a patina from use. Complete set. Period: Late 18th century
