### Description

Large model of the ship "La Couronne" -- French warship from 1636  
Large decorative wooden model depicting La Couronne, the famous French warship launched in 1636 during the reign of Louis XIII and the administration of Cardinal Richelieu. This high-quality piece features remarkable carpentry and rigging: a planked wooden hull, numerous cannons, richly decorated aft galleries, a carved figurehead, masts and sails made of fabric, as well as an extensive network of rigging. Resting on its original stand, this model makes an elegant decorative statement and is an ideal piece for a classic interior, an office, a library, or a maritime-themed decor. Handcrafted in the second half of the 20th century. Condition: In good overall condition. Some signs of wear, slight warping, and
