Description

Important oil on canvas depicting the Piazzetta in Venice. Beautiful oil on canvas from the second half of the 20th century depicting one of Venice's most iconic sites: St. Mark's Piazzetta with its famous columns, gondolas, and the characteristic bustle of the Venetian waterfront. Here, the artist offers a highly personal interpretation of the landscape, rendered in a modern and expressive style. The composition is built using generous layers of paint applied with a palette knife, creating powerful impasto effects that bring the canvas's surface to life. The luminous palette, dominated by deep blues, delicate pinks, and vibrant yellows, sensitively captures the vibrant atmosphere of La Serenissima. The reverse side bears the handwritten inscription: "La Piazzeta (Venice)" as well as the canvas's dimensions. The
