

Fang Byeri Statue, Guardian Of A Reliquary, Gabon

2 400 EUR

Period : 20th century

Condition : Etat d'usage

Description

Fang fetish, guardian of the eyema-byeri reliquary, from the Betsi subgroup, with its highly distinctive posture. In good overall condition, with a superb black and brown patina--rich and lustrous--and fine carving quality; the haughty face features a very distinctive pout, a distant expression, and great dignity; the body is geometric in a longiform style, with stocky, muscular limbs. Height: 54 cm with its black wooden base.
