### Description

Gold-Plated Metal Sun Mirror with Leaf Design -  
From the 1960s/1970s An elegant circular sun mirror, adorned with a spectacular border of finely chiseled gold-plated metal leaves. Its radiant design, composed of veined leaves arranged in a crown, gives it a remarkable decorative presence and evokes the iconic creations of Chaty Vallauris and the Hollywood style of the 1960s and 1970s. The central mirror is framed by a beaded, twisted frieze that accentuates the piece's overall refinement. The beautiful golden patina highlights the relief and craftsmanship of the leafwork, lending a warm glow to any interior. A timeless decorative piece, ideal for a living room, entryway, or bedroom, in both classic and contemporary settings. Period: circa 1960-1970 Style: Soleil / Hollywood
