Description

Large decorative glazed ceramic dish signed Laurence Saint-Amour. Magnificent large decorative handcrafted ceramic dish signed Laurence Saint-Amour, characterized by a spectacular cobalt blue glaze with subtle variations in texture and depth. The high-relief decoration depicts a composition of fruits, grape clusters, foliage, and flowers, all hand-modeled and hand-painted in polychrome tones. This creation combines refined sculptural work with a very luminous glaze, typical of high-end decorative pieces from the second half of the 20th century. The contrast between the intense blue of the background and the fruits in relief creates a striking decorative effect. Thanks to its strong decorative impact, the piece can be used as a large serving platter or as a wall
