Description

Large decorative platter in Longwy enamelware - Maintenon design. Superb decorative platter in glazed earthenware from Émaux de Longwy, crafted in the art workshops of the famous Lorraine manufacturer. It features an elegant polychrome design of a bouquet of flowers in the center, surrounded by a rich floral garland accented with gold on a deep burgundy crackled background, characteristic of Longwy's productions. The reverse bears the stamp "Émaux de Longwy France - Atelier d'Art", as well as an original label reading: "Maintenon", a piece from a limited edition of 200 copies, copy no. 10. The design is signed by M. Chéron and the highlights are signed. This high-quality piece combines the tradition of Longwy cloisonné enamel with a refined composition inspired by classic French
