Description

Curved Louis XV-style chest of drawers with marquetry and gilded bronze. Elegant Louis XV-style chest of drawers, richly adorned with geometric marquetry made of precious woods. The dynamic front features four drawers and two curved central drawers, highlighted by a symmetrical design that showcases the woodwork. The drawers are adorned with beautiful keyholes and drop-style handles in gilded bronze. The two central drawers feature remarkable, finely chiseled bronze female mascarons. The scalloped side panels and curved legs are adorned with bronze finials and feet, while a decorative scone adds flair to the lower rail. The ornate top harmoniously follows the lines of the piece and underscores its elegance. The quality of the marquetry, the abundance of bronze
