

18th-century Vintage Travel Perfume Bottle Made Of Gilded Glass

120 EUR

Period : 18th century

Condition : Très bon état

Material : Glass

Description

Travel perfume bottle or snuff bottle made of blown glass and gilded with fine gold. A travel-sized model that a lady could conceal in the folds of her court dress. Louis XVI-era piece, late 18th century. A beautiful collector's item, evoking the gentle way of life under the Ancien Régime in the 18th century. In very good condition, with its original stopper. Gilding is well preserved. Length: approximately 20 cm by 1.2 cm wide
