Glory - Female Profile - Studio Plaster Cast, 1930 - Attributed To Pierre Le Faguays.

90 EUR

Period : 20th century

Condition : Etat d'usage

Material : Plaster

Width : 12 environ

Height : 11 environ

Depth : 3 environ

Description

This medallion is reminiscent of the works created by the couple Pierre le Faguays (1892-1962) for the Max Le Verrier company. It is part of a small collection of pieces from the liquidation of their workshops. The young woman's pointed face is reminiscent of the artist's bronze sculptures. A trace of plaster remains.
